

TENIMENTI CIVA AT PORTOPICCOLO FOOD & WINE FESTIVAL

Autore: [wpv-post-coauthors]

In **Portopiccino**, in the enchanting village nestled between white karst rock, green vegetation and the blue waters of the **Gulf of Trieste**, within the Duino Nature Reserve, the **Porto Piccolo Food & Wine Festival** will take place on Saturday 19 and Sunday 20 September, from 5pm to 8pm.

The main square and other parts of the village will be transformed into venues for tasting and entertainment with the help of the wineries and restaurants of Portopiccino, offering food and wine pairings designed to express tradition and the territory.

Tenimenti Civa will be present with their **extra brut spumante Ribolla Gialla Collezione Privata** and their **still Ribolla Gialla Collezione Privata**, paired with finger food from the Cliff Restaurant, in the square in front of the restaurant.

Tickets for tastings and food-and-wine pairings can be purchased at the information desk located in the heart of Portopiccino. Each participant will receive a **kit** consisting of a **glass, glass holder**, and a **guide** with information on all the events, the list of producers present, tastings, and the finger foods designed to accompany the wines.

A **Temporary Wine Shop** will also be set up, where participants can purchase the wines they have tasted.

To add further enjoyment to the long weekend of tastings, there will be **soul, jazz and folk music**.
