

Great People and Wines - The cultural project of Tenimenti Civa

Autore: [wpv-post-coauthors]

Tenimenti Civa was established five years ago in Bellazzoia di Povoletto, in the Colli Orientali del Friuli, and we aimed to take root not only in the hills that welcome its vines but also in the culture of the people who have worked them with passion for many centuries.

This is why we set up in 2019 the “Grandi e Vini” – Great People and Wines project, which consists in dedicating each year an event and a special bottle, a great wine taken from the “Vigneto Bellazzoia” vineyard, to a protagonist of regional culture: in 2019 to Tina Modotti, in 2020 to Pier Paolo Pasolini.

This year, to celebrate Dora Bassi, painter, ceramist, sculptor and writer, the Ribolla Gialla Vigneto Bellazzoia wine was chosen, in numbered bottles called “Flôr”, 1500 in all, and presented in an elegant box.

To illustrate the wine label, we chose a work entitled “Mattina a Sesto” created by the artist in the mid-eighties.

In 2021 Italy has also been celebrating the 700th anniversary of Dante Alighieri’s death. For this reason, Tenimenti Civa decided to mark the presence of the Supreme Poet in the history of Friulan culture with a cultural event on 3 December 2021.
