The weekend of 25 and 26 May sees the return of Cantina Aperte, the event organised by the Movimento Turismo del Vino dedicated to wine lovers from all over Italy, when enthusiasts can visit wineries and taste their wines accompanied by excellent food.

Tenimenti Civa, in Bellazoia di Povoletto in the Colli Orientali del Friuli, is taking part in the event with three vintages of wines from its Collezione Privata: 2016, 2017 and 2018. There will also be a chance to taste one of the top of the range wines, the Sauvignon 2017 Vigneto Bellazoia DOC Friuli Colli Orientali. This superb wine comes from grapes harvested solely in the Bellazoia vineyard. Detailed information on the two days will soon be available.
