The long-awaited Agribike Faedis returns on Sunday 2 June. Several hundred people are expected for this 19th edition, a bicycle ride through the green countryside and the Colli Orientali del Friuli with a stop at Tenimenti Civa in Bellazzoia di Povoletto.

The ride begins in Faedis, and follows a route divided into seven stages, with stops at the local growers involved in the event, where participants can taste their wines paired with meats, cheeses, first courses and finally pork stew with polenta.

This fun recreational ride has always attracted children and adults alike, as they discover the farmland and landscape with its castles, Refosco di Faedis wine and Ribolla Gialla from the Colli Orientali del Friuli.
